

Are you a rising sophomore, junior, senior or graduate student looking for a rewarding internship experience? Do you want to contribute to a nonprofit organization that connects people, curates inclusive programs in our Downtown parks and activates public spaces? Downtown Detroit Partnership cultivates economic and social impact in Downtown Detroit by connecting public, private and philanthropic sectors, providing stewardship of public spaces, and developing programs that engage and benefit all.

DDP's Exceptional Internship Experience is a 12-week (**May 13th - Aug 2nd**) paid internship program targeting underrepresented students. Our internship program offers project-based assignments in the areas of parks and public spaces, economic development, mobility, small business and community engagement, data, policy, marketing, and non-profit administration. Our unique program includes challenging and substantial professional experience, mentors, exposure to Downtown Detroit's history, career planning and development tools and strategies that interns can leverage to increase their personal and professional effectiveness.

"My internship here at DDP has been nothing short of unforgettable. From the experience I gained, to the environment and opportunities I was fortunate enough to take part in, it has truly made a positive impact on where I am today." **Sania Mulbagal**, DDP Intern

Interns will be part of a diverse cohort that will enable the opportunity to build connections with other students and leaders within the community while contributing to DDP's mission. Because Interns will work on value-added projects, they will be paid a competitive wage (\$17hr-\$18/hr).

Interested and qualified candidates can apply by sending a resume and cover letter to DDPcareers@detroitdetroit.org

At Downtown Detroit Partnership, we are intentional about diversity, equity, and inclusion. Downtown Detroit Partnership, an equal opportunity employer, does not discriminate in employment opportunities or practices based on race, color, religion, sex, sexual orientation, genetic information, national origin, age, disability, height, weight, military status, veteran status or any other characteristic protected by law.
