

UNDER CONSTRUCTION

Michigan Ave and Lafayette Blvd Construction

Michigan Ave from Cass Ave to Woodward Ave and
Lafayette Blvd from Shelby St to Griswold St

WHAT'S HAPPENING

- HMA milling and resurfacing of roadways
- Select sidewalk and curb reconstruction
- Traffic Signal and lighting upgrades
- New landscaping
- Reconfigured intersection at Michigan Ave, Griswold St and Lafayette Blvd
- Lafayette Blvd conversion to one-way traffic from Shelby St to Griswold St

WHAT YOU'LL SEE

- Start date-August 17th; Open to Traffic-Early Winter; Landscaping & Traffic Signals-Spring
- Lane closures: Single lane of traffic to remain open both ways on Michigan Ave
- Heavy equipment milling roadway
- HMA Paving trucks and equipment
- Reconstructed and expanded sidewalk at the SW corner of Griswold St and Michigan Ave

SIDEWALKS TOO!

As part of the project, the City will construct curbs and sidewalks.

HAVE QUESTIONS?

During all construction activity, a supervisor from the contractor will be on-site, as necessary, to discuss specific issues to ensure activities can occur while maintaining a safe construction zone.

For general questions and information, contact **DPW Engineering Division: 313-224-3949**.

For site specific questions, contact the **Project Engineer: 248-234-2676**.
